Passionate in understanding user challenges, design intent, and thoughtful interaction experiences. I believe in crafting beautiful products and powerful brands.

SKILLS

Visual Design	Web Design
User Experience	Animation / Prototyping
HTML / CSS	Figma Frameworks

EDUCATION

BACHELOR OF FINE ART

THE ART INSTITUTE 2010 - 2015

EXPERIENCE

MICROSOFT EDGE

UX DESIGNER 2019 - PRESENT

The core ux team at the Microsoft Edge Studio who believes in designing for tomorrow. Focusing on user needs, desires, and transforming hypotheses into shippable features for the web browser that helps millions.

PAYSCALE

VISUAL DESIGNER 2017 - 2018

Cultivated modern design thinking into various segments for b2c & b2b products, tools, and digital experiences. Became an advocate for high fidelity and meaningful brand awareness across the company.

BEYONDSOFT

UX DESIGNER 2015 - 2017

Worked alongside engineers, data scientists and marketing teams, I integrated ux design methods that curated brand infrastructures, and business delighters.

UPTOP

JR UX DESIGNER 2014 - 2015

Diving deeper into the world of user experience design I had the chance to work with talented designers, app developers, and project managers. This crafted my perception of human centered design methods.
